TASK
Since 1968

MICHAEL CAPLAN
Founder

Founded in 1968, **TASK TOOLS** is a family owned and operated business that provides quality products, exceptional customer service, innovative merchandising solutions and the industry's best warranty support to hardware and building supply retailers across North America.

Our three brands – **TASK® Signature**, **TASK®** and **TUF-E-NUF®** – sell in six comprehensive product categories: **Power Tool Accessories, Hand Tools, Paint and Drywall, Quick Support Rods, Worksite Accessories and Abrasives**. Packaging for all three brands features easy-to-understand icons, and trilingual (English/French/Spanish) copy.

TASK TOOLS is committed to exceeding our customers' expectations.

CRAIG CAPLAN
President & CEO

OUR VISION

We will become one of North America's premier brands for the categories we supply. For both retailers and end users, we will be known as the innovative leader, recognized for our service excellence and the value in our products. In striving to attain our vision, we also will become the employer of choice in our marketplace.

OUR MISSION

The TASK TOOLS commitment is to exceed our customers' expectations throughout the supply chain. We partner with our retail customers to grow their businesses by offering unrivaled service, quality products, and superior value.

OUR CORPORATE VALUES AND BELIEFS

- We are accountable.
- We respect each other.
- We have open and honest communication.
- We act as a team, supportive and cohesive.
- We pride ourselves in doing things well.
- We are highly customer-focused.
- We care because we are family.

THE TASK TOOLS STORY

TASK® became one of North America's most trusted tool brands through an unwavering commitment to excellence. 100% family owned since 1968, TASK TOOLS continues to set high standards in assortment, quality, value, customer service, and warranty support. As a family owned business, we are always willing to go the extra mile for our extended family, **TASK TOOLS customers.**

GREATER PRODUCT LINE DIVERSITY

TASK TOOLS offers over 2,500 SKUs in six key product categories: Power Tool Accessories, Hand Tools, Paint and Drywall, Quick Support Rods, Power Tool Accessories and Abrasives. This breadth and depth of assortment, coupled with our unrivaled service, makes TASK TOOLS the leading supplier to independent lumber yards and building supply stores from coast to coast.

UNRIVALED SERVICE WITH UNMATCHED DELIVERY

Our team of dedicated sales and customer service staff and our commitment to retail support make TASK TOOLS the industry's leading service provider. The best warranty in the business guarantees 100% satisfaction. Our full service program features inventory controls designed to maximize each customer's turns. Customers count on our short delivery times and unbeatable fill rate – **over 97%!**

THE TASK TOOLS ADVANTAGE

Our team of industry experts is always ready to serve you. When customers call TASK TOOLS they always talk to a real person trained to provide them with expert advice they can rely on. Our in-house marketing and design team works with our customers to develop special promotions, custom planograms, merchandisers, and a wide array of private label products.

We use top tier manufacturing partners all around the world to ensure (in order of priority)...

**Quality & Performance,
Surety of Supply and Price.**

MERCHANDISING - MAXIMIZING THE RETAIL SPACE

TASK TOOLS offers bold and innovative merchandising solutions, suitable for any retail space. Each fixture is designed with three things in mind: shop-ability, communication, and space efficiency. Our merchandisers help drive sales and enhance the customer experience.

TASK TOOLS MILESTONES

• 1969

TASK TOOLS founder Michael Caplan begins distribution of his first tool product.

• 1970

Product line grows to include vises, hammers, and other tools and Michael Caplan opens a small warehouse.

• 1974

The TASK® brand is born, offering an ever-increasing array of quality tools at competitive prices.

• 1975

An increasing customer base necessitates a move to a 10,000 sq. ft. facility in Richmond, BC.

• 1981

Michael Caplan's son, Craig, joins the company full time.

• 1985

The head office expands to 30,000 sq. ft. and a warehouse in Mississauga, Ontario is opened to serve the Eastern market.

• 1989

TASK TOOLS launches the most comprehensive line of PTA in North America.

• 1990

TASK TOOLS introduces Tuf-E-Nuf® value priced tools & builds a new 30,000 sq. ft. warehouse in Brantford, Ontario.

TRADE PROVEN. TASK TOUGH.®

QUALITY & INNOVATION

TASK® Signature is a line of premium tools for those who demand the very best. Every TASK® Signature product must live up to this simple brand promise: **to be as good as or better than any competing product currently available in the markets TASK TOOLS serves.**

TASK®

We're proving it in the trade every day! TASK® is a line of contractor grade tools designed for professionals that need to get the job done right, day in and day out.

Tuf-E-Nuf®

TUF-E-NUF® products are popular with DIY'ers and anyone else who is keeping a close eye on the bottom line. Good quality at everyday low prices.

THE TASK TOOLS WARRANTY

Every product supplied by TASK TOOLS is covered by the best warranty in the business...

If this products fails to give complete satisfaction, return it to the place of purchase for a free replacement.

We stand behind our retailers 100% so they can give our end users absolute peace of mind. Our stringent quality controls ensure that, even with our simple and straight-forward warranty, our defective rate remains low (less than 0.5%, which includes credits for shop-worn packaging).

Where we've been is significant. Where we're going is sensational.

• 1994

TASK TOOLS launches a full line of hand tools.

• 2003

TASK TOOLS opens its new 100,000 sq. ft. headquarters in Delta, B.C.

• 2008

TASK TOOLS launches new lines for paint & drywall, concrete & masonry, flooring & tiling, and glazier work.

• 2010

TASK TOOLS launches bold new branding and now offers over 4,000 products to over 4,000 retail partners across Canada and the United States.

• 2012

TASK TOOLS launches all new website to better support dealers

• 2017

TASK TOOLS launches line of high quality ballistic textile work gear

• 2019

Continuing his father's legacy, Craig Caplan becomes sole owner of Task Tools.

QUICK SUPPORT RODS

**YOUR EXTRA
SET OF HANDS!**

TASK® Quick Support Rod® and QSR® Accessories have won the GOLD INNOVATION AWARD from Home Improvement Executive Magazine

Display the entire range of the Quick Support Rod® & Accessories in this compact, portable display. Featuring heavy duty caster wheels and a hardened steel safety chain, this store-in-store concept is proven to generate consistent repeat business.

The merchandiser is available with an optional video display, which requires a power source to operate.

The QSR® is available in three sizes, plus an optional extension to suit numerous applications, it's your extra set of hands while on the job.

The load-bearing weight capacity and patented locking mechanism makes QSR® the toughest and most versatile support rod on the market.

100's of Uses!

Use TASK® QSR® Accessories and your QSR® for

LONG QSR® 83" - 159"

- Drywall, other panelling
- Dust barriers
- Mouldings
- HVAC
- Temporary support

MEDIUM QSR® 63" - 120"

- Drywall, other panelling
- Dust barriers
- Mouldings
- HVAC
- Temporary support

SHORT QSR® 30" - 54"

- Cabinet installation (with Extension T74519)
- Under-mount sinks

T74505

T74500

T74490

QSR® ACCESSORIES

The Task® QSR® System is supported by a line of essential accessories that bring the most out of your Quick Support Rod®

- From dust containment to different pads for varied surfaces, the accessories add versatility to any worksite
- Quick and simple to install, they keep work flowing efficiently
- The QSR® Accessories line continues to grow and innovate, adding creative new uses for your Quick Support Rod®

QSR® 18" EXTENSION

Extends any Quick Support Rod® by 18" allowing it to cover a wider range of heights.

Part #	Description	Compressed	Extended
T74505	Short QSR®	30"	54"
T74505 + T74519	Short QSR® + Extension	48"	72"
T74500	Medium QSR®	63"	120"
T74500 + T74519	Medium QSR® + Extension	81"	138"
T74490	Long QSR®	83"	159"
T74490 + T74519	Long QSR® + Extension	101"	177"

Item #	Description	Package
T74519	QSR® 18" Extension	each

QSR® STORAGE BAG

This nylon storage bag holds up to four long QSRs or a larger number of medium & short QSRs. It features 600 x 300D ballistic nylon and webbed carry handles.

Item #	Description	Package
T74537	QSR® Storage Bag	each

HEAVY DUTY QSR® ZIPPERS

Heavy Duty QSR® Zippers are used to quickly create re-sealable entryways in a poly sheet. Easy to apply and use, the zippers feature a durable adhesive that is exposed by peeling away a protective paper backing. Use a single zipper for a small door or two parallel zippers for a large roll-up door. This product meets federal containment specifications for asbestos removal.

Item #	Description	Package
T74545	Heavy duty QSR® zippers	2 pack

QSR® ZIPPERS

QSR® Zippers allow an immediate entrance or exit to any enclosed area and contains dust & debris.

We recommend the use of two zippers approximately 4'-5' apart to create a roll-up door.

Item #	Description	Package
T74542	QSR® Zippers	2 pack

QSR® ZIPPERS - 12 PACK

QSR® Zippers allow an immediate entrance or exit to any enclosed area and contains dust & debris. We recommend the use of two zippers approximately 4'-5' apart to create a roll-up door.

Item #	Description	Package
T74548	QSR® Zippers	12 pack

QSR® EZ HOOK

This hardened steel hook is designed to clip onto the QSR® and can be used to hang heavier items such as tools or paint cans.

Item #	Description	Package
T74521	QSR® EZ hook	each

QSR® SOFT PADS

Replacing the standard gripper pad with either of these soft pads enhances traction on wet surfaces and protects delicate surfaces. These extra wide pads evenly distribute force over a large area.

Item #	Description	Package
T74527	2-3/8" x 13-5/8" QSR® Soft Pad	each
T74525	2-3/8" x 27-1/2" QSR® Soft Pad	each

QSR® CLAMP & PIN KIT

Each QSR® Clamp & Pin Kit contains four pins and four clamps. Useful when erecting dust barriers, splatter guards or backdrops, the pins are used to secure a poly sheet or other lightweight material to the top pad of any QSR®. The clamps snap onto the rod body to secure the material to the middle of the rod. The clamps can also be used to hold trash bags or other thin plastic items.

Item #	Description	Package
T74529	QSR® Clamp & pin kit	1 kit

QSR® UNIVERSAL CLAMPING ARM

Easily mounts laser levels, flood lights, camera tripod arms, etc. to a Quick Support Rod®. The metal arm extends out 12" (30.5 cm) and is adjustable to several different angles. The rubberized clamping arms provide additional protection. The clamping arm is unique to the Task® QSR® System, and is ready for use within seconds of setup.

Item #	Description	Package
T74520	QSR® universal clamping arm	each

QSR® GRIPPER PADS

A wider version of the standard gripper pad to replace the stock upper foot on the QSR®. The larger surface area distributes pressure, enhances traction and spans larger gaps.

Item #	Description	Package
T74523	QSR® gripper pads	2 pack

QSR® HEAVY DUTY DUST CONTAINMENT DOOR KIT

This kit contains everything needed to quickly create a dust and thermal containment door.

Door:

- Make a zipper door in minutes
- For door openings up to 8' high x 4' wide
- Made from heavy duty 6mil fire retardant poly
- Double pull zipper slider opens door from either side
- Open and close the door with one hand

Dust Containment Tape:

- For securing tarps or poly sheeting to surfaces such as wood, glass, aluminum, plastic, vinyl and painted surfaces
- Clear poly tape adhesive side is moisture resistant and strong to aggressively bond and hold heavy sheeting materials
- Masking tape adhesive side is easy to remove cleanly from surfaces for up to 14 days

Item #	Description	Package
T74517	QSR® heavy duty dust containment door kit	1 kit

QSR® 2" x 50' CONTAINMENT TAPE

For securing tarps or poly sheeting to surfaces such as wood, glass, aluminum, plastic, vinyl and painted surfaces. The clear poly tape adhesive side is moisture resistant and strong, to bond and hold heavy sheeting materials. The masking tape adhesive side is easy to remove cleanly from surfaces for up to 14 days.

Item #	Description	Package
T74518	QSR® 2" x 50' containment tape	each

PORTABLE LED WORK LIGHT

Safe for use indoors and outdoors, our portable LED work light boasts a sealed die-cast aluminum housing, perfect for all-weather use. The impact-resistant glass ensures durability, while the 120° tilt adjustment provides versatility. The long 6ft (1.8m) power cord with grounded plug gives one room to position the light wherever it needs to go.

Item #	Description	Package
T43601	Portable LED work light	each

QSR® DUST CONTAINMENT KITS

Grab-and-go dust containment kit includes everything you need to create a dust containment barrier.

(Poly not included)

12pc QSR® Dust Containment Kit

Contains:

- 2x Quick Support Rods (5' 3" - 10')
- 2x Heavy Duty QSR® Zipper (3" x 7')
- 8x QSR® Clamps & Pins

Item #:
T74591

23pc QSR® Dust Containment Kit
