MICHAEL CAPLAN
Founder

Founded in 1968, **TASK TOOLS** is a family owned and operated business that provides quality products, exceptional customer service, innovative merchandising solutions and the industry's best warranty support to hardware and building supply retailers across North America.

Our three brands – **TASK® Signature, TASK®** and **TUF-E-NUF®** – sell in six comprehensive product categories: **Power Tool Accessories, Hand Tools, Paint and Drywall, Quick Support Rods, Worksite Accessories and Abrasives.** Packaging for all three brands features easy-to-understand icons, and trilingual (English/French/Spanish) copy.

TASK TOOLS is committed to exceeding our customers' expectations.

CRAIG CAPLAN
President & CEO

OUR VISION

We will become one of North America's premier brands for the categories we supply. For both retailers and end users, we will be known as the innovative leader, recognized for our service excellence and the value in our products. In striving to attain our vision, we also will become the employer of choice in our marketplace.

OUR MISSION

The TASK TOOLS commitment is to exceed our customers' expectations throughout the supply chain. We partner with our retail customers to grow their businesses by offering unrivaled service, quality products, and superior value.

OUR CORPORATE VALUES AND BELIEFS

- We are accountable.
- We respect each other.
- We have open and honest communication.
- We act as a team, supportive and cohesive.
- We pride ourselves in doing things well.
- We are highly customer-focused.
- We care because we are family.

THE TASK TOOLS STORY

TASK® became one of North America's most trusted tool brands through an unwavering commitment to excellence. 100% family owned since 1968, TASK TOOLS continues to set high standards in assortment, quality, value, customer service, and warranty support. As a family owned business, we are always willing to go the extra mile for our extended family, **TASK TOOLS customers.**

GREATER PRODUCT LINE DIVERSITY

TASK TOOLS offers over 2,500 SKUs in six key product categories: Power Tool Accessories, Hand Tools, Paint and Drywall, Quick Support Rods, Power Tool Accessories and Abrasives. This breadth and depth of assortment, coupled with our unrivaled service, makes TASK TOOLS the leading supplier to independent lumber yards and building supply stores from coast to coast.

UNRIVALED SERVICE WITH UNMATCHED DELIVERY

Our team of dedicated sales and customer service staff and our commitment to retail support make TASK TOOLS the industry's leading service provider. The best warranty in the business guarantees 100% satisfaction. Our full service program features inventory controls designed to maximize each customer's turns. Customers count on our short delivery times and unbeatable fill rate – **over 97%!**

THE TASK TOOLS ADVANTAGE

Our team of industry experts is always ready to serve you. When customers call TASK TOOLS they always talk to a real person trained to provide them with expert advice they can rely on. Our in-house marketing and design team works with our customers to develop special promotions, custom planograms, merchandisers, and a wide array of private label products.

We use top tier manufacturing partners all around the world to ensure (in order of priority)...

Quality & Performance, Surety of Supply and Price.

MERCHANDISING - MAXIMIZING THE RETAIL SPACE

TASK TOOLS offers bold and innovative merchandising solutions, suitable for any retail space. Each fixture is designed with three things in mind: shop-ability, communication, and space efficiency. Our merchandisers help drive sales and enhance the customer experience.

TASK TOOLS MILESTONES

• 1969

TASK TOOLS founder Michael Caplan begins distribution of his first tool product.

• 1970

Product line grows to include vises, hammers, and other tools and Michael Caplan opens a small warehouse.

• 1974

The TASK® brand is born, offering an ever-increasing array of quality tools at competitive prices.

• 1975

An increasing customer base necessitates a move to a 10,000 sq. ft. facility in Richmond, BC.

• 1981

Michael Caplan's son, Craig, joins the company full time.

• 1985

The head office expands to 30,000 sq. ft. and a warehouse in Mississauga, Ontario is opened to serve the Eastern market.

• 1989

TASK TOOLS launches the most comprehensive line of PTA in North America.

• 1990

TASK TOOLS introduces Tuf-E-Nuf® value priced tools & builds a new 30,000 sq. ft. warehouse in Brantford, Ontario.

QUALITY & INNOVATION

TASK® Signature is a line of premium tools for those who demand the very best. Every TASK® Signature product must live up to this simple brand promise: **to be as good as or better than any competing product currently available in the markets TASK TOOLS serves.**

TASK®

We're proving it in the trade every day! TASK® is a line of contractor grade tools designed for professionals that need to get the job done right, day in and day out.

Tuf-E-Nuf®

TUF-E-NUF® products are popular with DIY'ers and anyone else who is keeping a close eye on the bottom line. Good quality at everyday low prices.

THE TASK TOOLS WARRANTY

Every product supplied by TASK TOOLS is covered by the best warranty in the business...

If this products fails to give complete satisfaction, return it to the place of purchase for a free replacement.

We stand behind our retailers 100% so they can give our end users absolute peace of mind. Our stringent quality controls ensure that, even with our simple and straight-forward warranty, our defective rate remains low (less than 0.5%, which includes credits for shop-worn packaging).

Where we've been is significant. Where we're going is sensational.

• 1994

KNEEPADS FOR MAXIMUM COMFORT AND PROTECTION!

Task[®] by Tommyco[®] Kneepads feature innovative designs, patented features, Canadian production & environmentally friendly materials

- Gel Kneepads
- Foam Kneepads (with environmentally friendly "SafeFoam")
- Patented "Zero Pressure Zone" Caps designed for Rough, Hard, Flat, or Delicate surfaces
- Non-Slip Kneepads
- Flooring Kneepads (designed to slip)
- Low Profile Kneepads (can be worn under clothing)

KNEEPAD KNOWLEDGE

5mm Solid Injected Gel Insert

Breathable mesh padding to help stay cool and a soft neoprene liner.

Patented Zero Pressure Zone

Eliminates pressure from being applied directly to the patella bone of the knee.

Easy On and Off!

Quick-release elastic straps on top and bottom.

ROUGH TERRAIN

The Zero Pressure Zone contains extended feet that create a bridge over rough and/or unstable surfaces

FLAT TERRAIN

Flat articulating outer feet grip surfaces to prevent slipping and provide excellent stability

HARD TERRAIN

Hard Terrain Kneepads have an anti-penetration cover that will slide or swivel over hard surfaces while protecting against sharp objects

DELICATE TERRAIN

Durable fabric or leather-like covers will not mark or dent delicate surfaces and will slide along smooth surfaces.

SOFT TERRAIN

Great for working in the garden
